Step Program

Dear Directors & Coaches,

Members of Theta Nu Sigma Step Program cordially extend this invitation to compete in the 3rd Annual Trendsetters & Stage Breakers National Invitational Step Competition to be held on Saturday, April 6, 2019 to be held on the campus of Garland High School. Team participation is limited to 5 of the most competitive teams per category only. This is the battle of the best.

We aim for our event to be regarded as more than just another competition. It's an event hosted "by" step programs "for" step programs. The show aims to showcase team's talents & community awareness and provide scholarships that benefit the continuance of step and performing arts programs across the nation. As we approach the event, you will receive emails detailing specifics about the completion.

We encourage all teams to consider applying for the Trendsetters Award and the Stroll like a Greek portion of the competition. If you have any questions, please feel free to contact us at thetanusigma@gmail.com stagebreakers.us@gmail.com or visit www.thetanusigmastepteam.com.

Warm regards and thank you for what you do for the movement of step.
